**Date:** 4<sup>th</sup> October 2009

**Sub: Oman Web Award 2009**

Dear Sir,

With reference to the above subject, we take pleasure in informing you that the 5<sup>th</sup> Oman Web Awards 2009 will be hosted once again this year under the auspices of Information Technology Authority (ITA), we would like to invite you to participate in this competition by registering your organizations website in the appropriate category.

Information Technology Authority is committed to support all ICT oriented events in Oman. We are very much in support of IT oriented competitions as we believe that these events truly inspire potential talent within Oman, thereby nourishing the Omani knowledge community.

Oman Web Awards is open to all designers and developers, giving them an opportunity to showcase their work and move on to enter regional levels competitions for websites such as the Pan Arab Web Awards .Winning the Oman Web Awards validates your website and gives your clients and prospective customers increased confidence in your organization and your services.

It is a fact that the events such as the Oman Web Arab Awards enhance the quality of online present of Omani organizations in the digital world. By entering such national level competition, the creativity and skill of the country is being enhanced and the creative potentials of the entrants are unleashed with a focus.

ITA considers the participation of your professional website as a progressive step towards the transformation of Oman into a digital society. More details on the competition can be found online at [www.omanwebawards.org](http://www.omanwebawards.org) or kindly call 99266537 / 99822501 / 95223963

Warmest regards.

**Talal Suleiman Al Rahbi**
